

Picture Day 2024

Friday May 24th - at the studio

Again this year we will be taking payment in advance at the time of the photos. Each costume is \$25 cash and includes the group and two individual shots. Please note that Henry will be taking everyone's photos regardless of payment but he will only be printing the pictures that were paid for. Please send your child to picture day even if you do not want photos so that all dancers are represented on our walls! Times are listed below. These times are a guideline only! There will be times when we are behind schedule and times when we are ahead. We kindly request that you are camera-ready at least 10 minutes before your picture is scheduled. There will be changing rooms available. Please do not bring siblings or extra family members. Make up is optional but light make up does look nice in the pictures! (comp team - no eyelashes, yes bling). Please remove all nail polish and leave jewelry at home. See over for a chart of the proper outfits for each class. Thank you so much! We are excited to see everyone in costume!

4:45.....Loving You/Speaking French/When He Sees Me/World Caves In
